

**WHO ARE WE?:** We are an all-abilities running club with over a hundred members, Orange County's oldest and *friendliest* running club, on the go since 1961! But don't let our name fool you, we are also road and trail runners, tri-athletes, marathoners and power walkers--who enjoy good runs, good times, good company and good food!

**SPEED WORK:** We offer to members supervised track workouts at 6:00 p.m. every Tuesday night at the Orange Coast College track in Costa Mesa. Our coach, Charlie Appell (voted "Coach of the Year" by the OC Register) supervises workouts with goals ranging from better 5K times to marathon "PR's" (personal records).

**TRAINING RUNS:** Many of us also get together for informal weekend runs and marathon training in the hills of Carbon Canyon, along the bike path of Huntington Beach and the shores of Corona Del Mar. Check out our OCTC website for more running events Club contacts: [www.octrackclub.org](http://www.octrackclub.org)

**MONTHLY RACES:** Every month, our members select which local races will be designated as OCTC "Club Races." At those races, we support our members with a Club Canopy for members' gear storage, post-run refreshments and a visible meeting place for socializing with other participants before and after the run. Sometimes we compete as a team, representing OCTC, and the club helps subsidize our race entry fee!

**POT LUCK MEETINGS:** Enjoy the hospitality of monthly club meetings held the first Monday of the month at a member's home. They sometimes feature a short fun run but always include a pot luck dinner and lively meeting.

**FOR MORE INFORMATION, CHECK OUT OUR WEB SITE:** [www.octrackclub.org](http://www.octrackclub.org)
